#### Amelia Island Trail is under way

A 6-mile, 10-foot-wide pedestrian/bike path along northbound Florida A1A stretching from the Nassau Sound Bridge to Peters Point Park adjacent to Fletcher Avenue is now under construction. The \$2.3 million FDOT project, known as the Amelia Island Trail, is expected to take another few months.

### WEST NASSAU

#### Activity trails in the spotlight with blog

Biking, hiking and horseback trails are getting new exposure in the blog [trainsandtrailsofnassaucountyfla.blogspot.com](http://trainsandtrailsofnassaucountyfla.blogspot.com). Recent news includes information about an upcoming study of alternate rail links to Jacksonville's ports other than the existing Gross line that extends from the Florida-Georgia border to Callahan.
